Parkinson's UK Research Workshop

Friday 5 April, 1.30pm to 3.30pm

**Coombes Community Centre, Burns Road,
Royston SG8 5PT**

Are you interested in finding out more about Parkinson's research?

Hear from our research team on the latest developments, meet other people affected by the condition and find out how you can help in the search for a cure.

Light refreshments will be provided.

**Places are free but must be booked in advance.
Call James Bunting, Research Events Officer, on
0207 963 9315.**
